

## Franchise Babouchka

---

By participating in the **Babouchka®** franchise deal you're not only purchasing a guaranteed success formula, but also our vast experience and business operations manual.

You're also freeing yourself from errors and hassle at all the stages of running the business as we will provide complete and committed backing from the early and further development stages.

We will prevent franchisees from taking potentially harmful decisions for the business.

Finally we will help you to mitigate financial risks by providing you with our specially designated economic model for successfully running the business, including unique country risk models and mitigators.
